

Subaru Europe, a subsidiary of Subaru Corporation founded in 1953, manages the European activities of the world-renowned Subaru brand.

Committed to sustainability and innovation, Subaru continually develops **cleaner mobility solutions** while remaining focused on **customer satisfaction**. Working closely with its dealer network, Subaru Europe guarantees quality service tailored to the needs of each customer.

In order to strengthen the **Government Regulatory Affairs team** in Brussels, we are currently looking for an (m/f):

Regulatory Affairs Specialist – Automotive Sector (M/F)

RESPONSIBILITIES

As a **Regulatory Affairs Specialist**, you will play a key role in monitoring and analyzing legislative developments within the EU and UK markets. Your main mission will be to support Subaru Europe in understanding and adapting to regulations related to emissions and battery technologies while exploring opportunities for sustainable propulsion technologies.

Your main responsibilities are:

- Monitoring **EU and UK policy** and **regulatory developments**.
- Analyzing the **impact of regulatory initiatives** on Subaru's European operations.
- Conducting **research on policies** and preparing **high-quality internal reports** and presentations.
- Proposing **strategic positions** and **lobbying approaches** for ongoing legislation.
- Attending **key meetings** with **trade associations, conferences, and relevant consortia**.
- Acting as the **primary contact for EU/UK authorities** and **third parties** (OEMs, NGOs, etc.), in coordination with relevant departments.
- Collaborating with **Subaru Corporation** to ensure **compliance** of in-service vehicles with regulations.
- Exploring **innovative solutions**, such as **carbon-neutral fuels**, to sustain **internal combustion engine technologies** beyond 2035.

PROFILE

- You have perfect command of English, both written and spoken.
- You have 2-5 years of experience in the automotive sector, preferably in the field of regulatory technical affairs.
- You have a strong understanding of the functioning of the EU and its institutions, with relevant work experience in EU affairs or EU institutions being a plus.
- You possess excellent analytical and problem-solving skills, with a strategic mindset focused on developing innovative solutions to regulatory challenges.
- You demonstrate strong organizational skills and a proactive, can-do attitude, with the ability to plan and execute your own schedule and initiatives effectively.
- You excel in stakeholder management and communication, building and maintaining relationships with key authorities, associations, and stakeholders.

OFFER

- A challenging position in an international environment.
- A strategic role in Subaru's international development
- A salary package commensurate with the responsibilities of the position and your experience.
